College or University currently attending _____

Major _____ Expected graduation date _____

Undergraduate GPA _____ Math/Science GPA _____

GRE or MCAT score (if available) _____

Number of hours enrolled Spring 2012 _____

Have you applied to or been admitted to a graduate program? _____

Have you participated in the INBRE Summer Research Program before? If so, how many times? _____

Research Preferences

For your summer 2012 research experience, choose your top two research interests.

Choose from: biochemistry, bioinformatics, cell biology, developmental biology, genetics, immunology, microbiology, molecular biology, neuroscience, pathology, pharmacology, physiology

First choice: _____ Second choice: _____

Do you have a preferred mentor or host laboratory, or are you restricted to a particular location?
We will try to assign you accordingly, but we cannot guarantee that this will be possible.

Statement of Career Goals

What is your intended career as of right now? _____

Provide a brief discussion of why you are interested in biomedical research and what you have done to expand your knowledge and experience in this area. Describe how your participation in the OK-INBRE Summer Research Program will affect your intention to pursue a career in biomedical research. Limit your response to the space provided below.

Voluntary Information

Responses to the following questions are voluntary. The information is used to report to NIH regarding the diversity of the INBRE Undergraduate Summer Research Program.

Gender: _____

Race/Ethnicity: _____

Application Checklist

___ Application Form with Career Statement

___ **Two Letters of Recommendation** – required letters from faculty members or instructors should highlight achievements in coursework, laboratory experience and an evaluation of the applicant's desire for a biomedical research career or career in a STEM field.

___ **Official Transcripts** - Transcripts must include courses taken during the fall 2011 semester. Also include a list of the courses that you are taking or intend to take spring 2012.

Email or mail the application form to:

dhammon@osrhe.edu

or

Dawn Hammon
OK-INBRE
655 Research Parkway, Suite 200
Oklahoma City, OK 73104

Applicants will be notified by end of March 2012.

Application Deadline is Monday, January 31, 2012

We understand that your supporting documents may be available at different times. You may mail each item separately as it is made available to you and we will compile your application packet.
